To Bring/To Donate list
www.porchdesalomon.org

Since 2005, our teams and volunteers have transported quality donations to Panajachel, Guatemala, which have blessed and helped thousands of folks, many of whom were in great need. Gracias!

1. Medicines and vitamins, especially pre-natal w/ folic acid, are a high priority (no “gummy” vitamins) Over-the-counter, generic analgesics (Tylenol and Advil equivalent) , allergy (Benedryl etc), children’s cough medicine, children’s analgesics, feminine hygiene and hen specialty meds. like diabetes test strips, insulin, etc.

* medical office material like latex gloves, tongue depressors, etc.

2. Personal hygiene stuff is readily obtainable in Guate-- but would rather folks bring than come down empty-handed (esp. if it's donated).

Liquid hand sanitizer in gallon or large size.

Hotel soaps, shampoos, and hand-creams are great, too.

3. High quality used children's clothes and shoes- age 1 to 12 or so are great and in demand. No worn out stuff, please.

We always have a great need for women’s, girls, youth, and men’s socks and underwear.

May 2016--- please, **no other adult clothing** at this time

4. Good quality new or used bed linens are great. Twin and double are best, pillowcases too, but queen will work.

* quality used towels (both sizes)

May 2016 flash—we have an immediate need for good quality (new or gently used) white washcloths, hand towels, bath towels, and hotel-style bathroom rugs.

5. Children's ministry stuff- clown, balloons, jump ropes, inflatable beach balls and such. Deflated soccer balls or basketballs.

6. Bibles or New testaments in Spanish- the NIV or New Living translation equivalents are great. Also— any childrens or other books in Spanish, new or used.

7. Alcoholics Anonymous (AA) “Big Books” in Spanish (preferred) or English
